

Please Join Us ... September 25

Dutchland, Inc. & Koester Associates
cordially invite you to a

Hard Hat Luncheon

Dutchland will be installing precast roof panels over a post-tensioned water storage tank for the Woodbury Authority in Orange County, NY.

The tank has a 60' diameter with 25' high wall panels and is built to AWWA D115 specifications.

Join us for lunch, see the tank and watch as Dutchland installs the roof on the precast tank. Personnel from the Woodbury Authority, Koester Associates, H2M architects + engineers, & Dutchland, Inc. will be available to discuss the project.

September 25, 2018
11:00 am - 1:00 pm

Weygant Hill Water Storage Tank
2 Filmore Court
Highland Mills, NY 10930
